Please answer the following questions to help the mentoring coordinators create an optimum pairing for you.

1. Approximately how many master points have you earned:
2. What aspects of bridge are your educational priorities (Bidding, preempting, slam bidding, declarer play, defense, leads, signaling, specific convention(s) or other):
3. Would you like to have book recommendations? If so, what topics?
4. What HBC or non-club games do you currently play: (BBO, F2F, Open or Limited):
5. Do you know a player you would like to have as a mentor? Please tell us.
6. What days of the week and times are you available to play?
7. Are you willing to play in a morning open game or the Sunday open HI/LOW game with your mentor:
8. What time frame works for you?

Please note: Many mentors are not eligible to play in some or all of the limited point games. If you are unwilling to play in an open game, that may limit our ability to match you with a suitable mentor.
