

Hartford Bridge Club  
Annual Meeting-via Zoom  
October 23, 2022

The Annual Meeting was called to order at 12pm. The meeting was held at the Bridge Club and also through Zoom. There were 82 attendees at the club and approximately 24 via Zoom. There were also 4 ballots received electronically from members that could not attend, for a grand total of 110.

Felix Springer thanked everyone for taking the time to attend this meeting. He discussed how the club has been able to continue to run during these unprecedented times. Many clubs have failed throughout the country. We cannot take our club for granted. The club has given beginner lessons to encourage new players to become members. All of us need to talk up the club so that we can continue to grow and get back to where we once were. We are a member owned club, and through the generosity of our members, we managed to fiscally stay in the black.

He thanked the many people who have helped meet the challenges of the past year in the October newsletter. He especially acknowledged Donna Feir, Club Manager, for her efforts both this year and over the many years creating a community and allowing it to thrive.
