

# Signing up with a Partner

Q: How do I sign up for an event with a partner?

Let's say you and your partner wanted to play in the **Pairs 2PM Speedball Tournament** shown below. (Note: This option is only available for Tournaments with **Pairs** in the **Type** column.)

The screenshot shows a web browser window with the URL <https://www.bridgebase.com/v3/>. The page title is "ACBL Masterpoint Tournaments". The user is logged in as "danbfinn" with a balance of "37". The page has tabs for "Pending", "Running", and "Complete", with "Running" selected. A search bar is present. The main content is a table of tournaments:

Below the table is a "Substitutes" button. At the bottom of the page, there is a "Lobby" button and a "Message" input field with a "Chat" button.

One of you, it doesn't matter which, would click on the Tournament in the list. You'll get a screen like this:

The screenshot shows a web browser window with the URL <https://www.bridgebase.com/v3/>. The browser's address bar and tabs are visible at the top. The page title is "Pairs ACBL Sat 2pm Speedball #4048". The navigation bar includes "Back", "Home", "Log off", "Help", "BB\$", and the user's name "danbfinn" with a score of "37". Below the navigation bar, there are tabs for "Register", "Details", "Entries (238 Max 300)", and "Partnership Desk (25)". The "Register" tab is active, displaying a light blue box with the following text: "This tournament has a 1.25 BB\$ entry fee. This tournament will be starting in 39 minutes. You need a partner to play in this tournament." Below this text, there is a "Partner" label, an "Invite (1.25 BB\$)" button, and a checkbox labeled "I will pay for both myself and my partner". On the right side of the page, there is a vertical sidebar with "Messages", "People 8", "History", and "Account" buttons. At the bottom of the page, there is a "Lobby" button, a "Message" input field, and a "Chat" button.

When you enter your partner's BBO id, the **Register** button will get enabled and you'll be able to Invite your partner to the game. If they're on, they'll get a message (I think it's a pop-up) announcing your invite. They click that and you registered as a pair.
